RICH IN TRADITION™

## YOU LOVE ART AND SO DO WE.

Our portfolio is comprised of the products we offer to you, and our passion is no different than your own. We provide creative products inspired by traditional techniques, made of the finest materials with premier craftsmanship. Welcome to New Wave Art.

New Wave Artist Palettes provide unprecedented comfort, distinct quality, and functional shapes. Our patent pending 3-point design (hand, forearm, and torso/hip resting surfaces) creates an effective distribution of weight so that no one point is forced to bear a majority of the weight for an extended period of time.
